The Art of Living

SINCE 1966 · MADE IN ITALY

Bespoke seating

for contract, hotel and restaurant projects

“take your time – choose your seat”

ABOUT US

Sixty years of craftsmanship, a modern company

Founded in 1966 as a small workshop in San Giovanni al Natisone (UD), Bulfoni makes chairs, armchairs, sofas and benches for hotels, restaurants, communities and contract projects.

Since 2001 it has operated as an Srl: artisan expertise within a flexible structure, serving architects, interior designers and clients in Italy and worldwide.

HISTORY

From workshop to international contract

1966

The artisan workshop is founded

1980

The first major contract project

2001

The company becomes an Srl

2025

The Bulfoni Living Design® trademark is registered

Today

Contract, HoReCa, communities and international clients

OUR IDEA OF LONGEVITY

“A sustainable product is a product that lasts.”

Every seat is made to last: fewer resources consumed, less waste, value that holds over the years. That is why we design collections that stay current and functional.

SERVICES

From design to delivery

01

Custom design in collaboration with architects and designers

02
